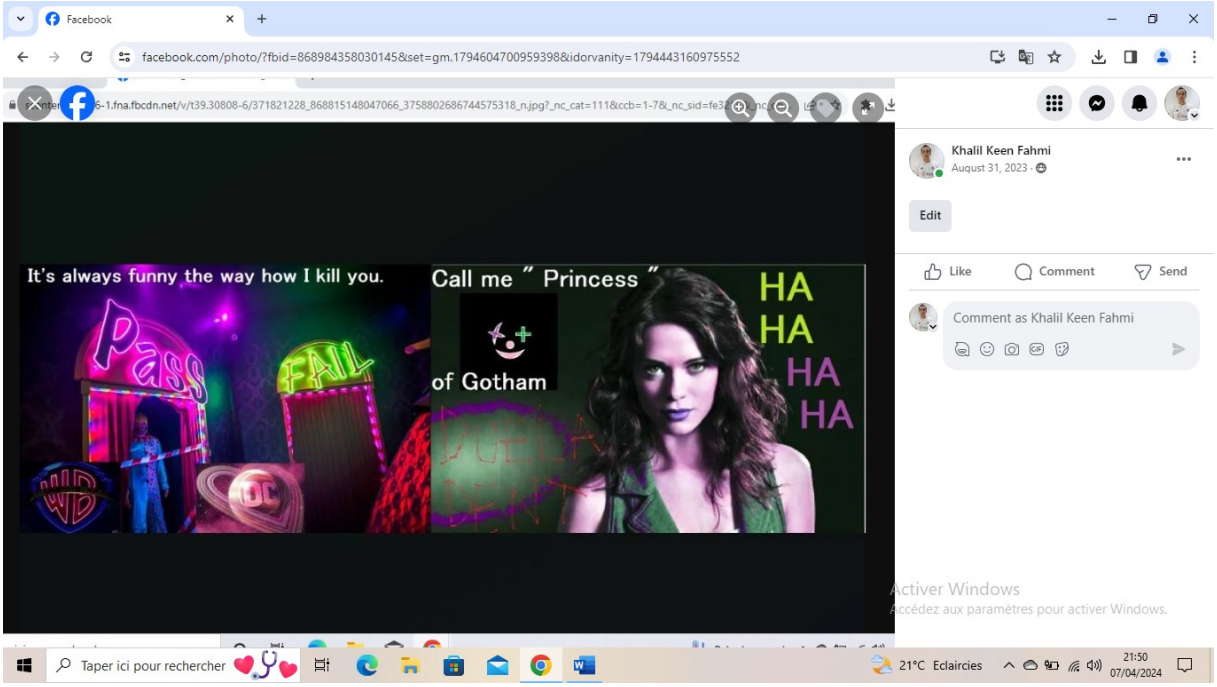
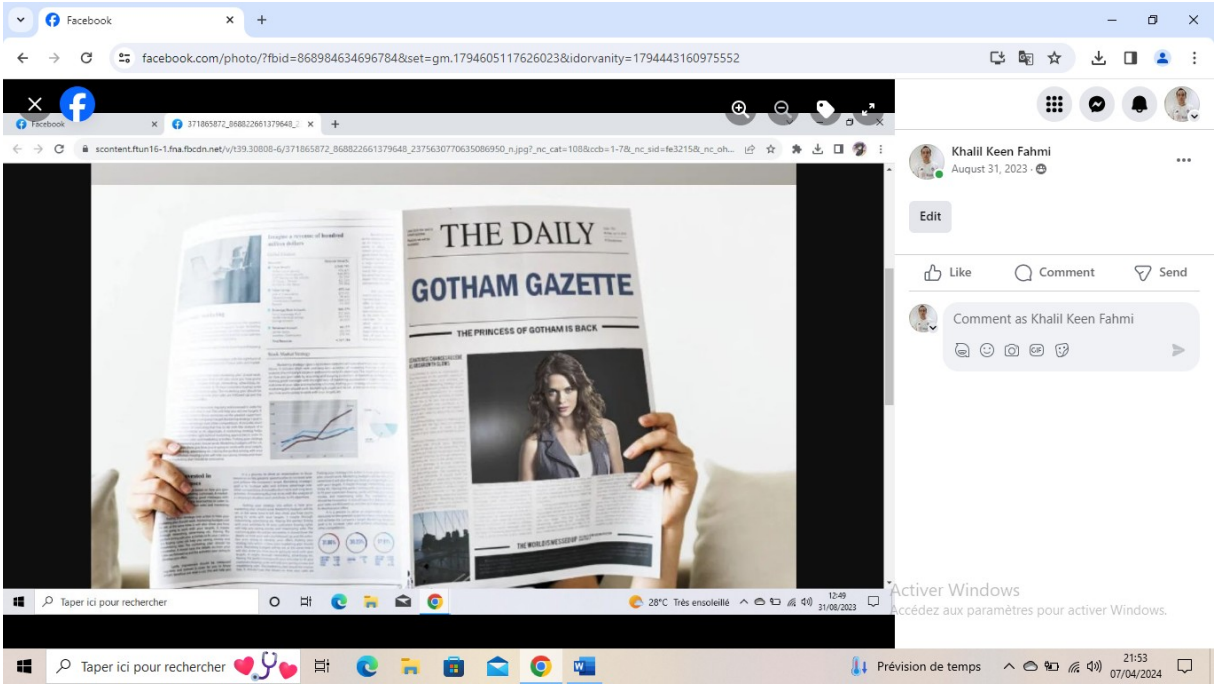
Duela Dent Quotation



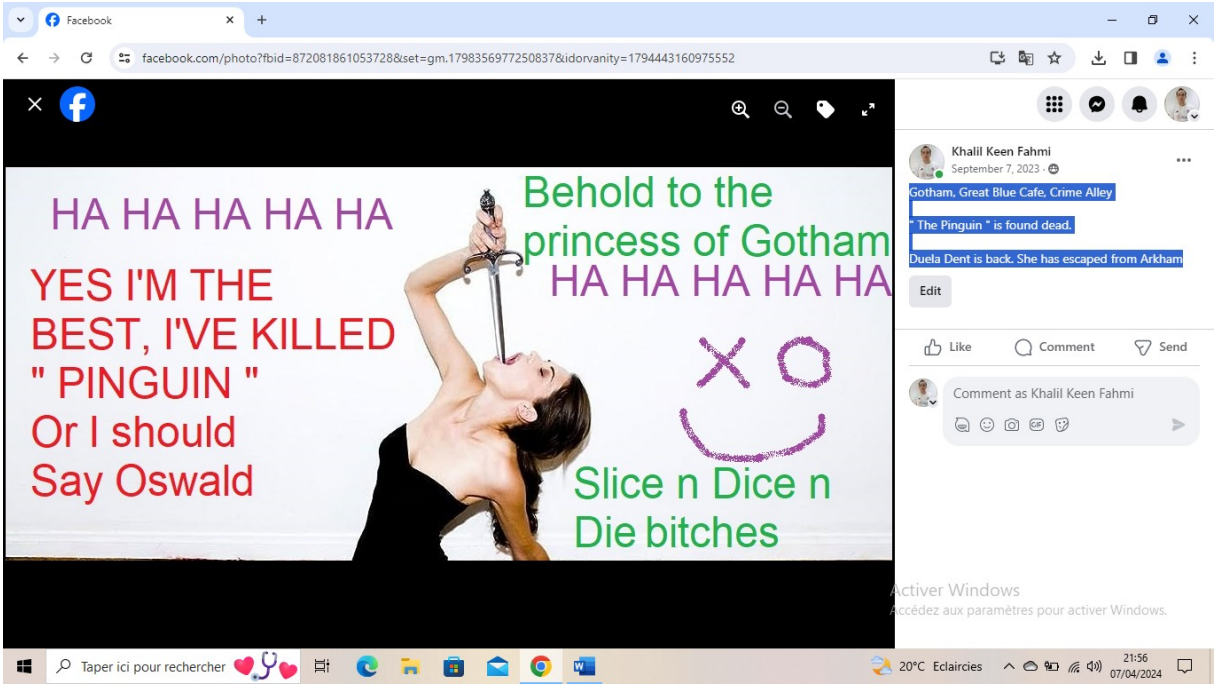
Film and Comics Book « The Divine Duela Dent Vol 1 ».



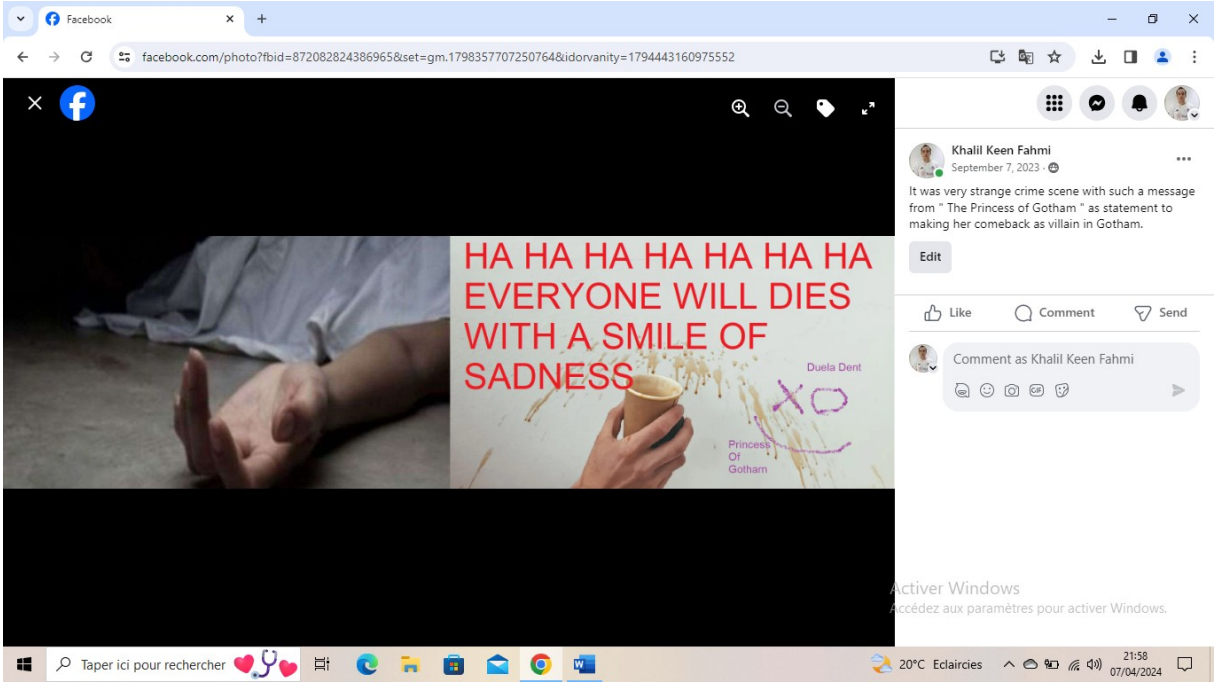
Gotham, Great Blue Cafe, Crime Alley

" The Pinguin " is found dead.

Duela Dent is back. She has escaped from Arkham

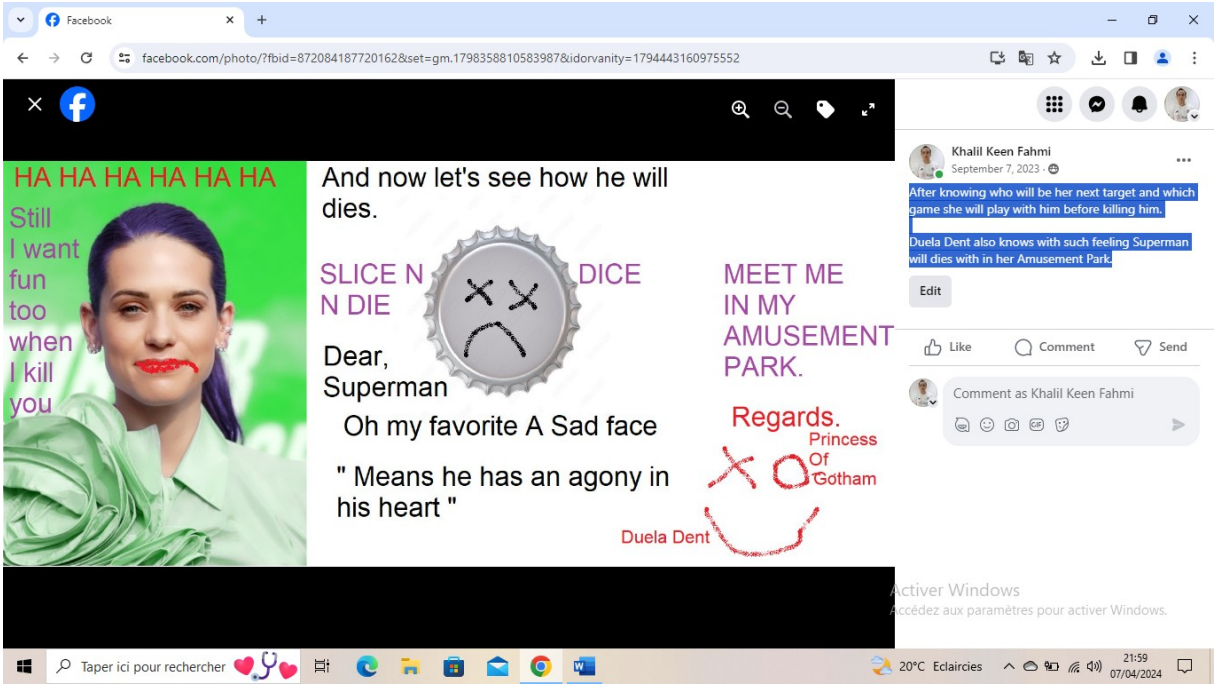


It was very strange crime scene with such a message from " The Princess of Gotham " as statement to making her comeback as villain in Gotham.

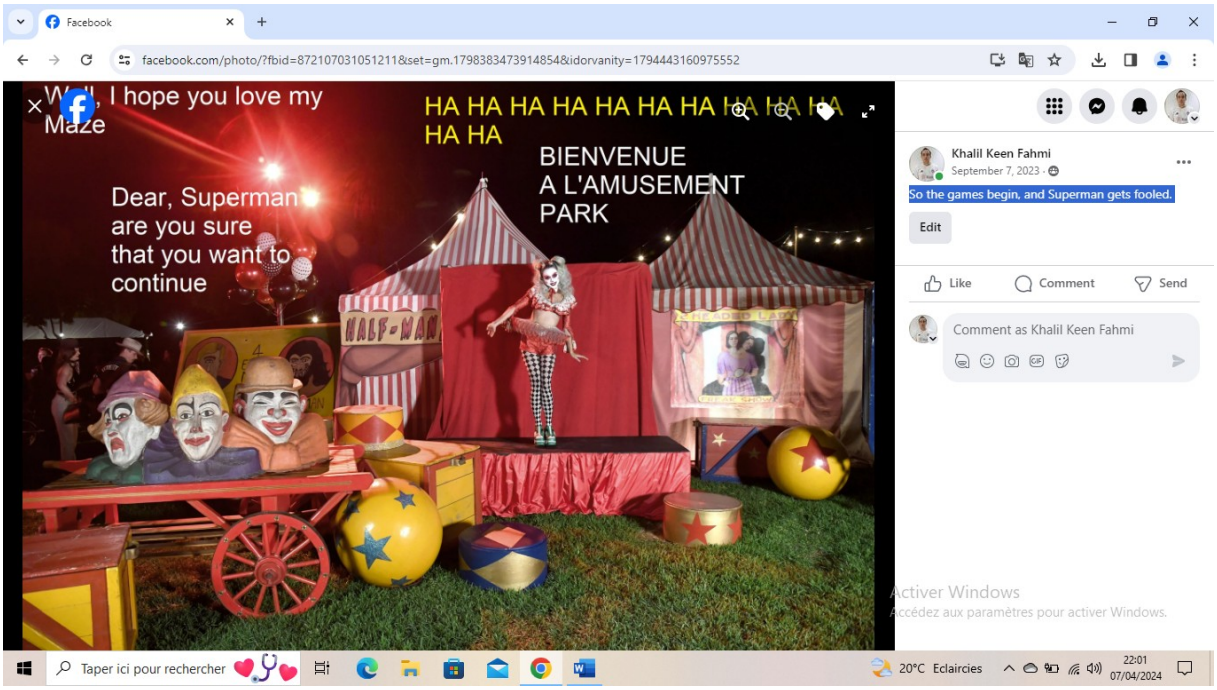


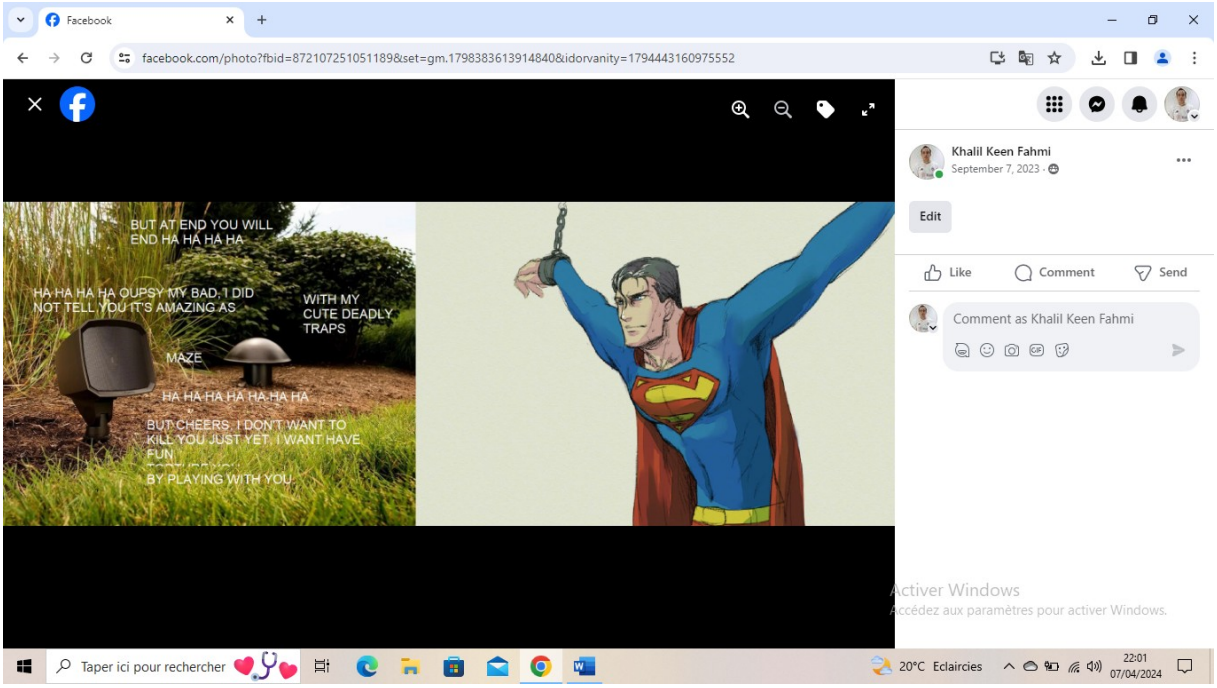
After knowing who will be her next target and which game she will play with him before killing him.

Duela Dent also knows with such feeling Superman will dies with in her Amusement Park.

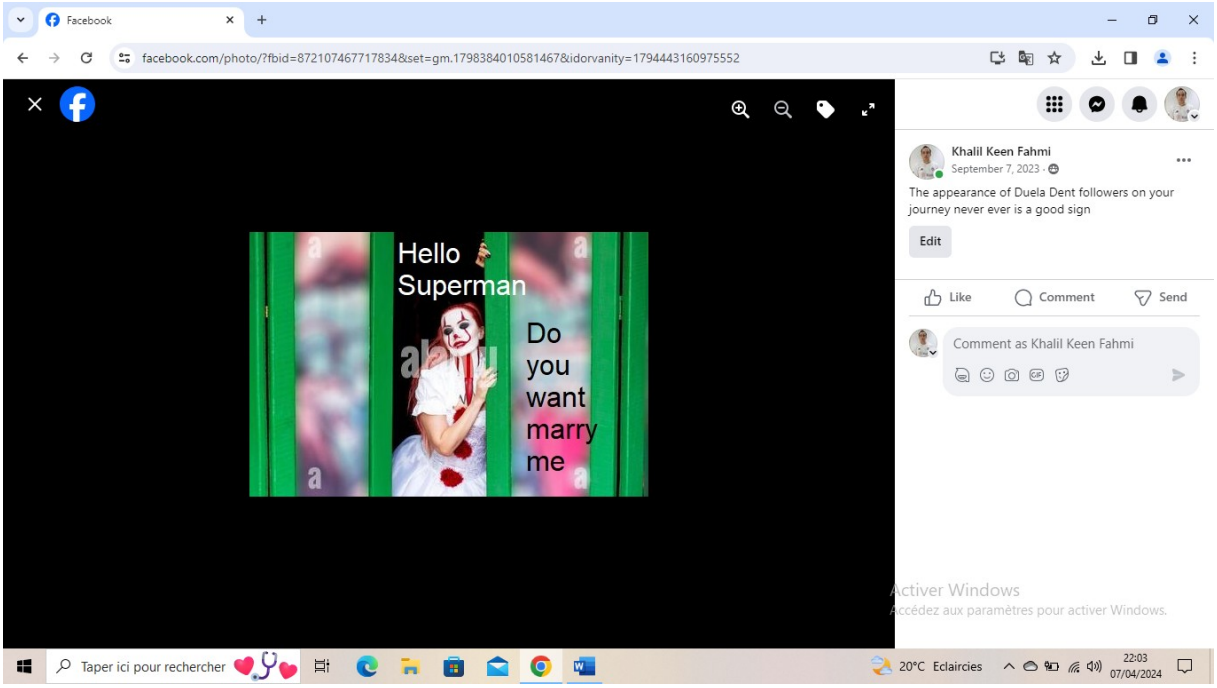


So the games begin, and Superman gets fooled.

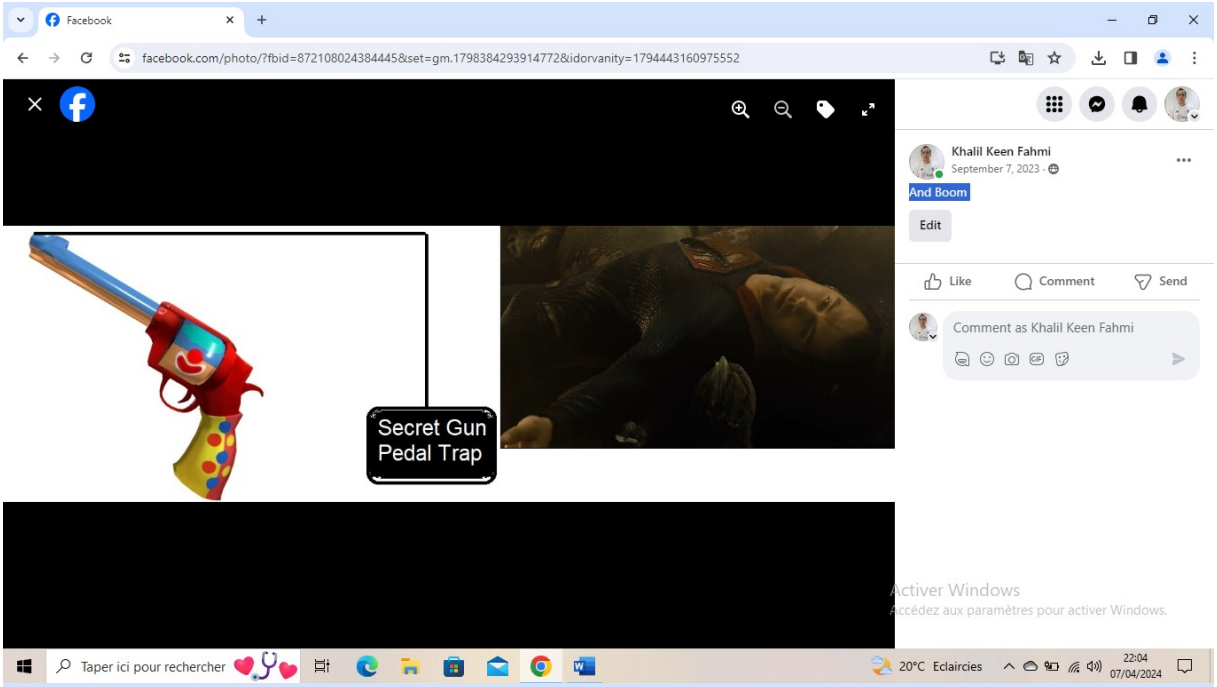


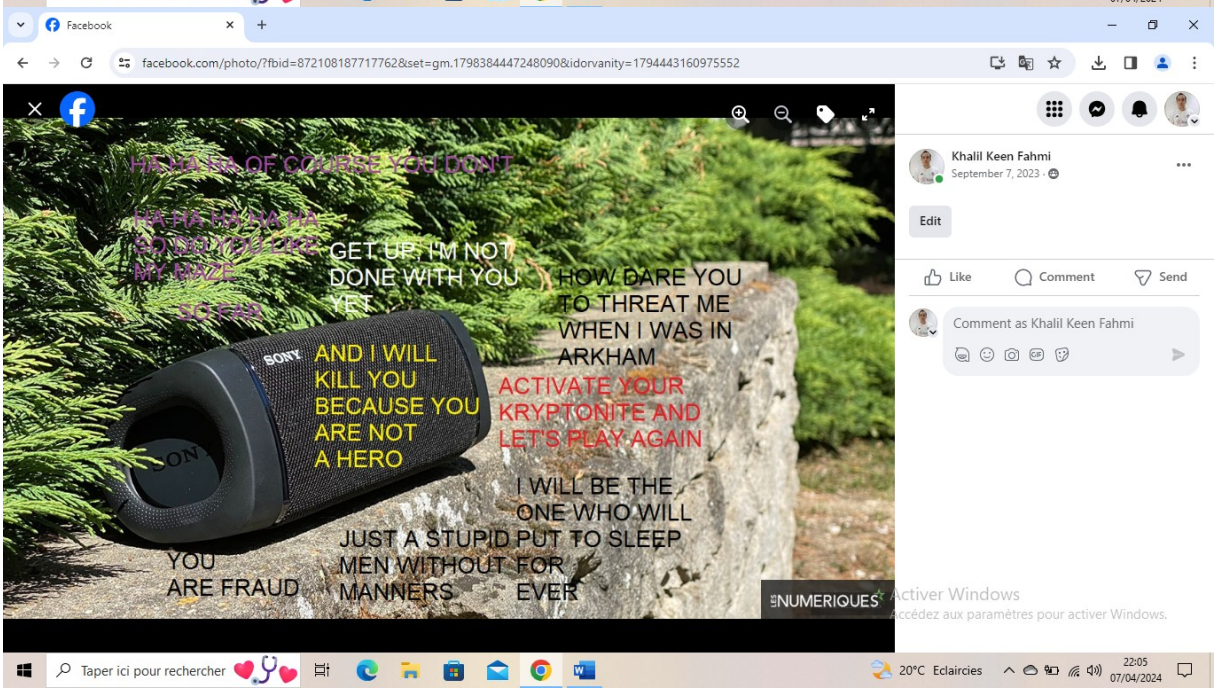


The appearance of Duela Dent followers on your journey never ever is a good sign

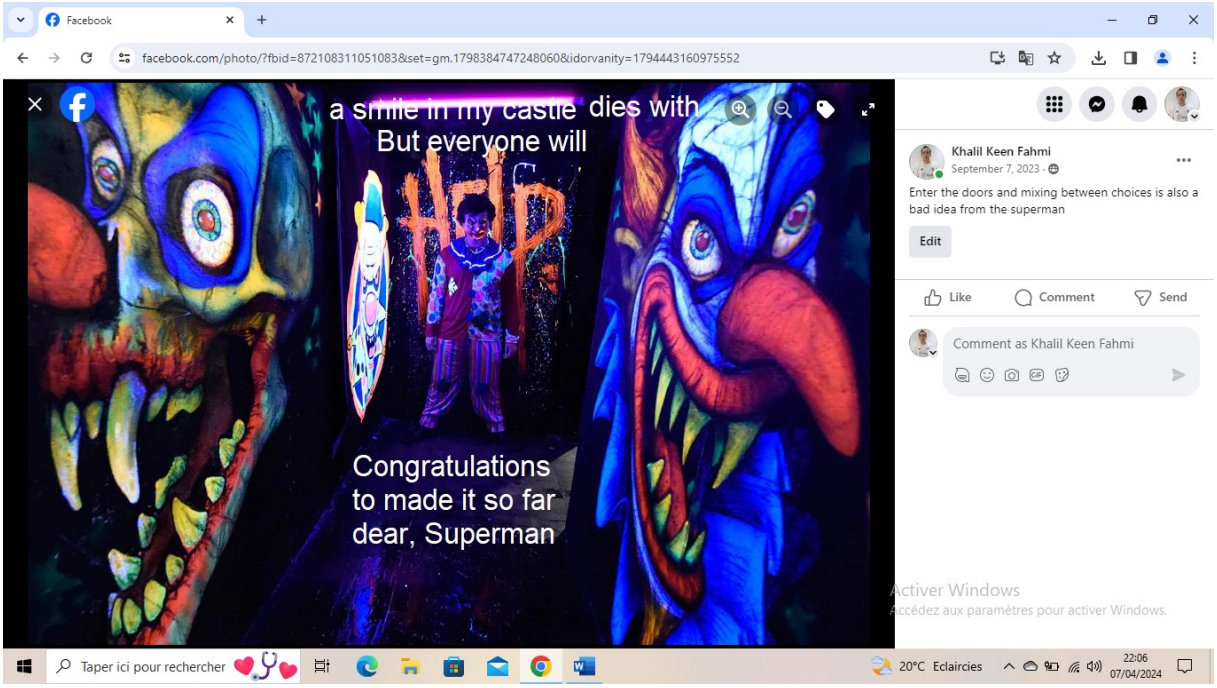


And Boom





Enter the doors and mixing between choices is also a bad idea from the superman



And of course when a clown statue bicycle comes through you. The first thing you should do is running. But Superman was clearly not that smart.
Duela Dent is keeping killing him with fun element in her maze by adding more injuries to him

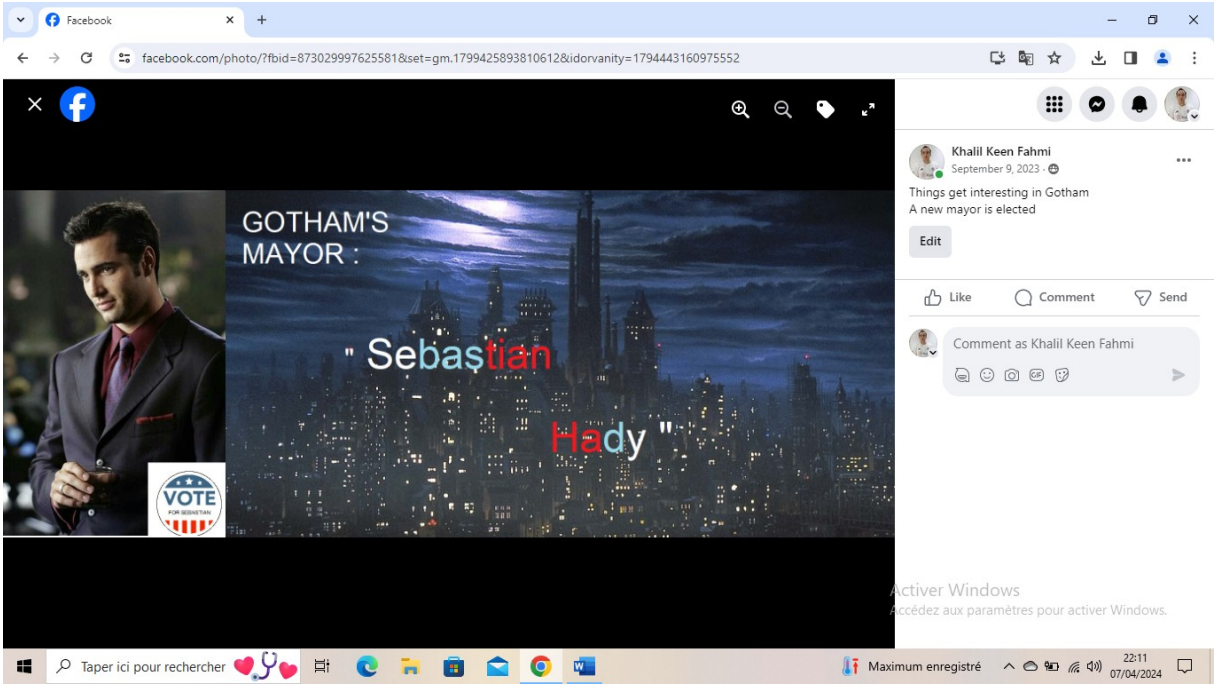
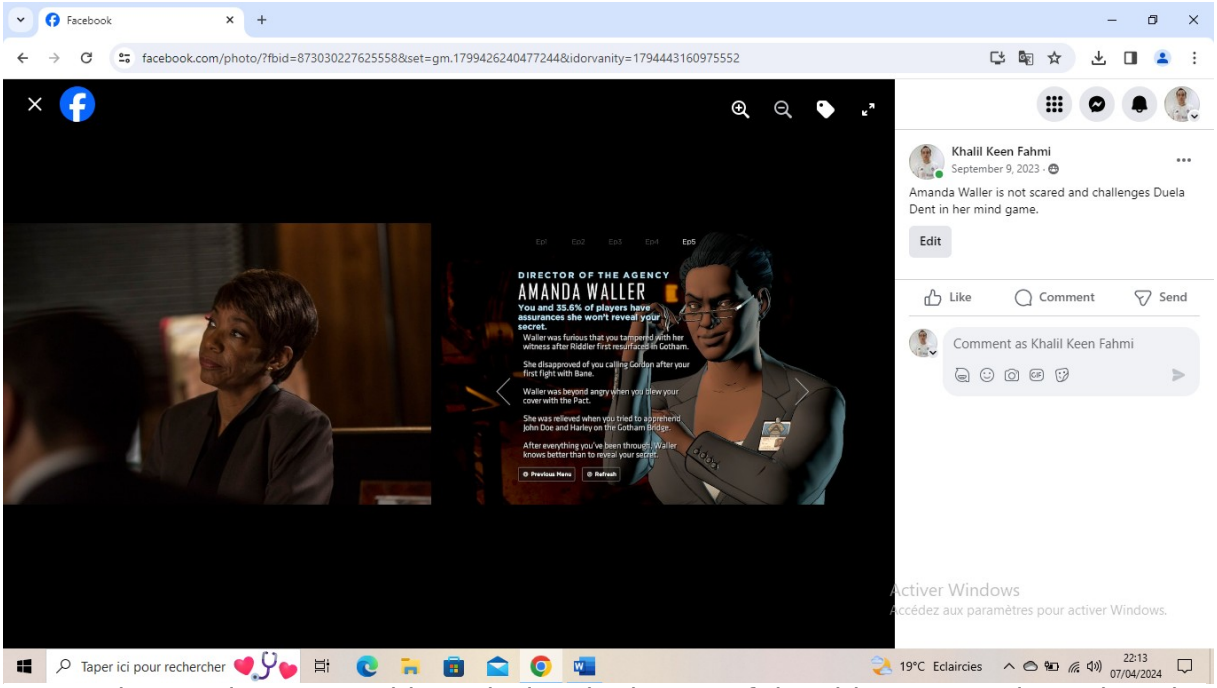
While The Question " New Gotham Hero " Victor Sage is investigating...

Things get interesting in Gotham

A new mayor is elected

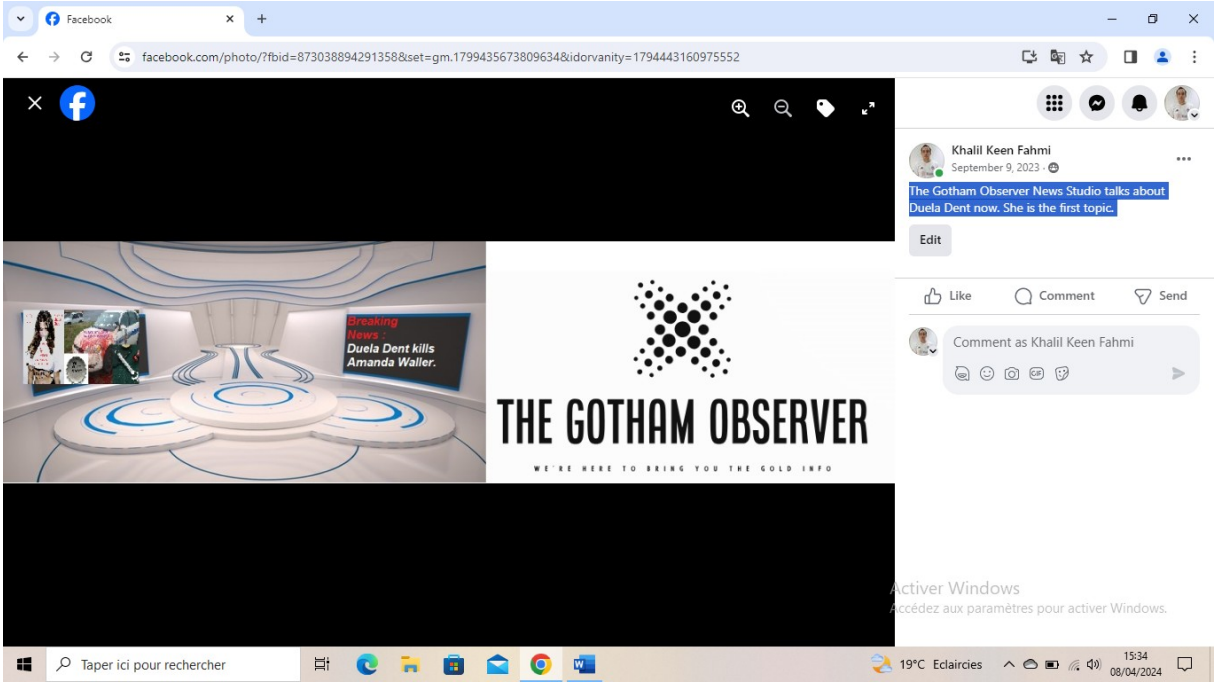


Amanda Waller is not scared and challenges Duela Dent in her mind game.

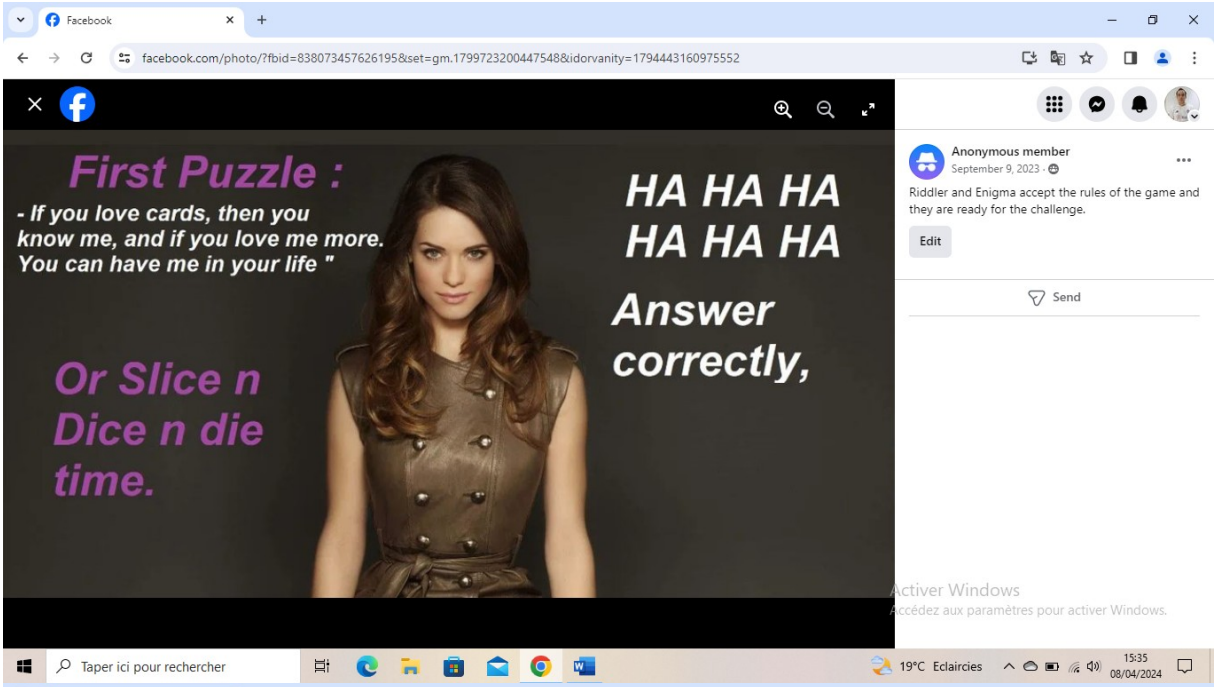


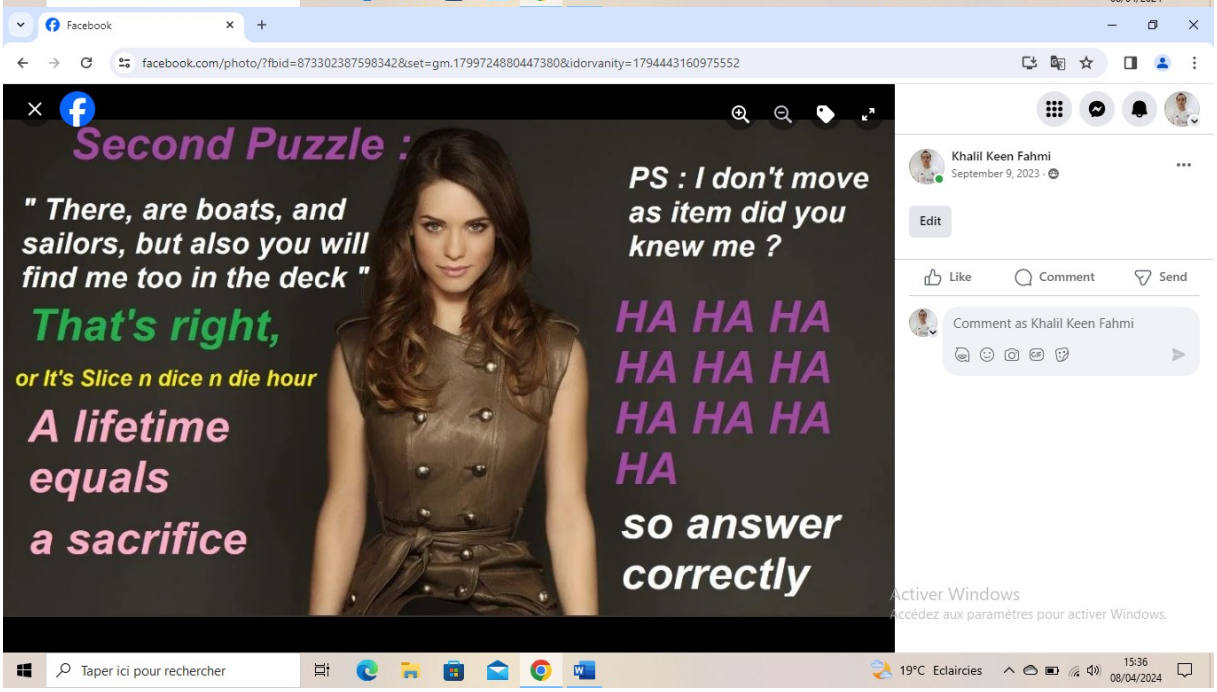
But Duela Dent is unstoppable and wins the hearts of the citizens more in Gotham by murdering the Agency COO Amanda Waller in cop car near the GCPD QG.

The Gotham Observer News Studio talks about Duela Dent now. She is the first topic.



Riddler and Enigma accept the rules of the game and they are ready for the challenge.





Even if Riddler and Enigma know the answer, they need to put their finger and get a little scratches and rotate the tiny chainsaws with the exactly alphabetic number of the rest of the letters of the word.
The first word is given for free. Same process and same rule for the others puzzles.

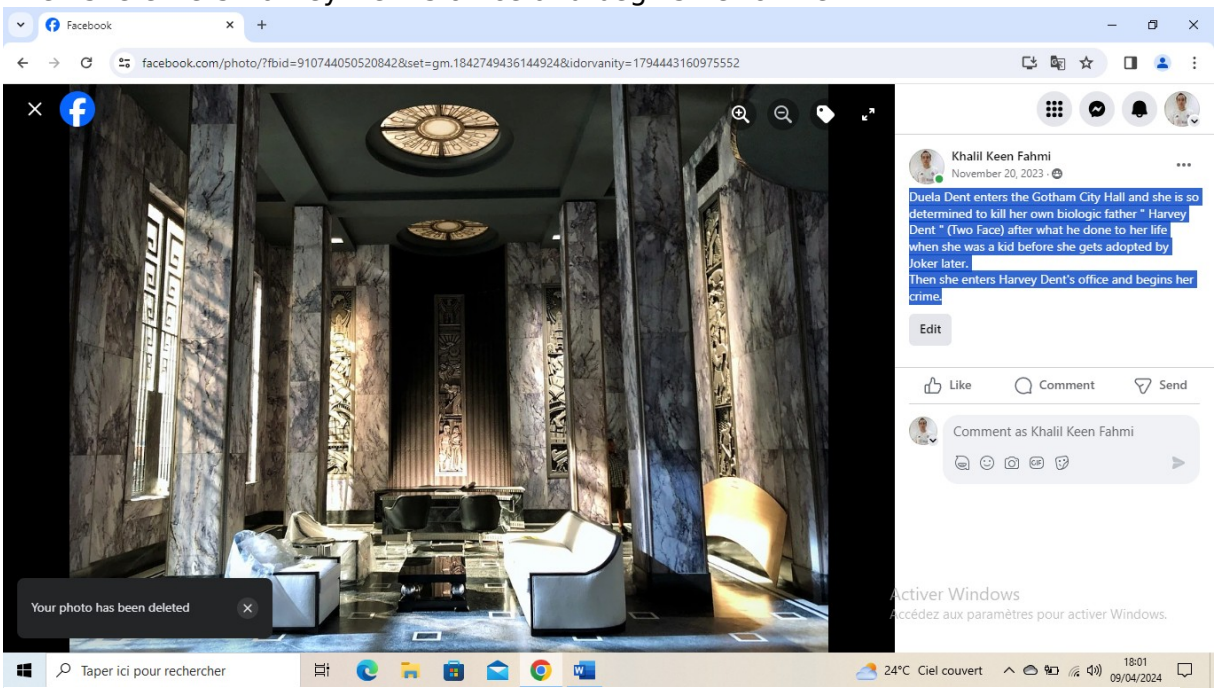
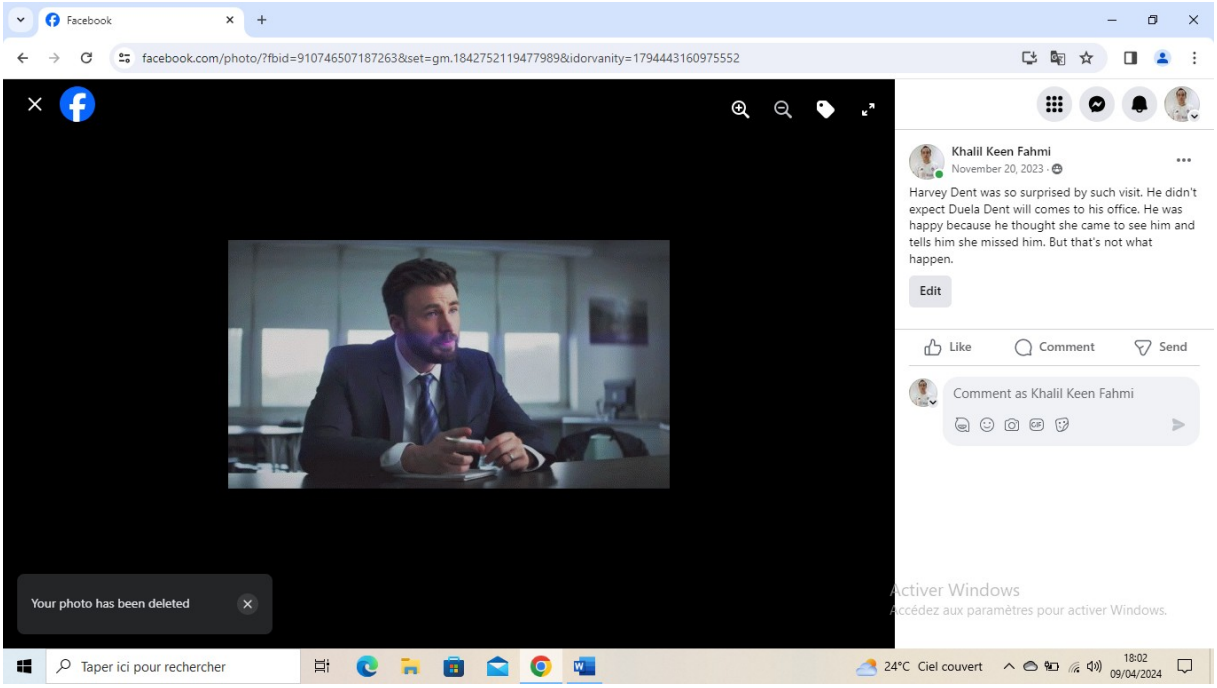
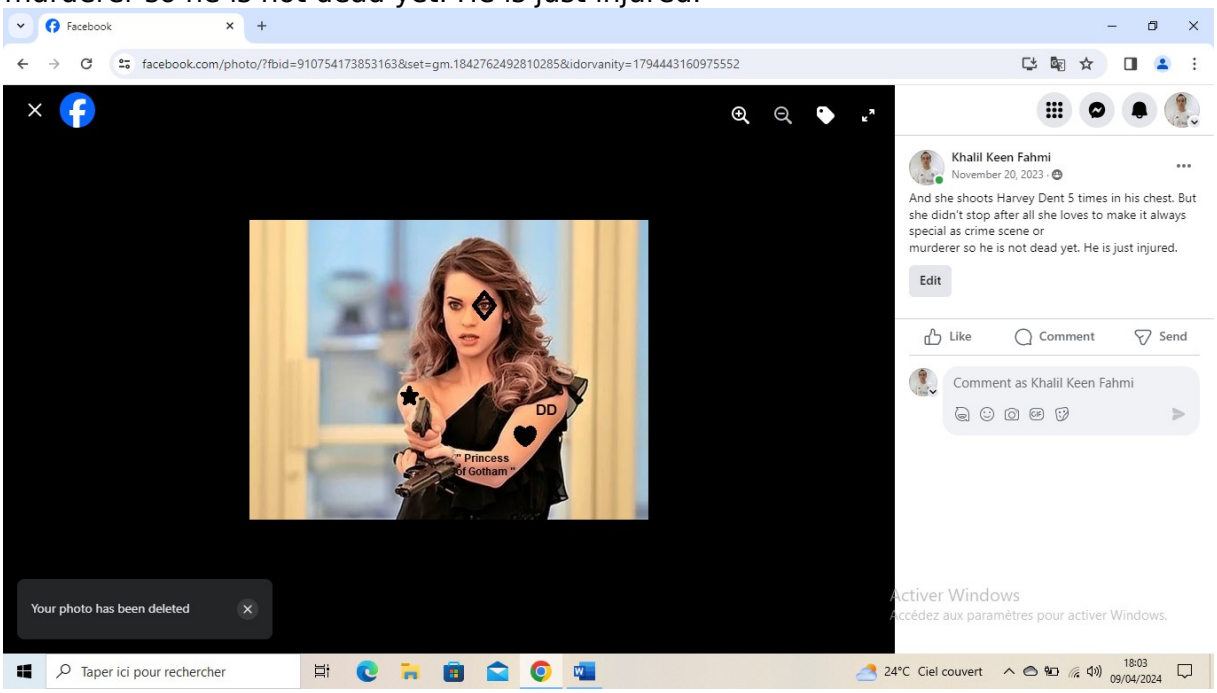
Then she enters Harvey Dent's office and begins her crime.



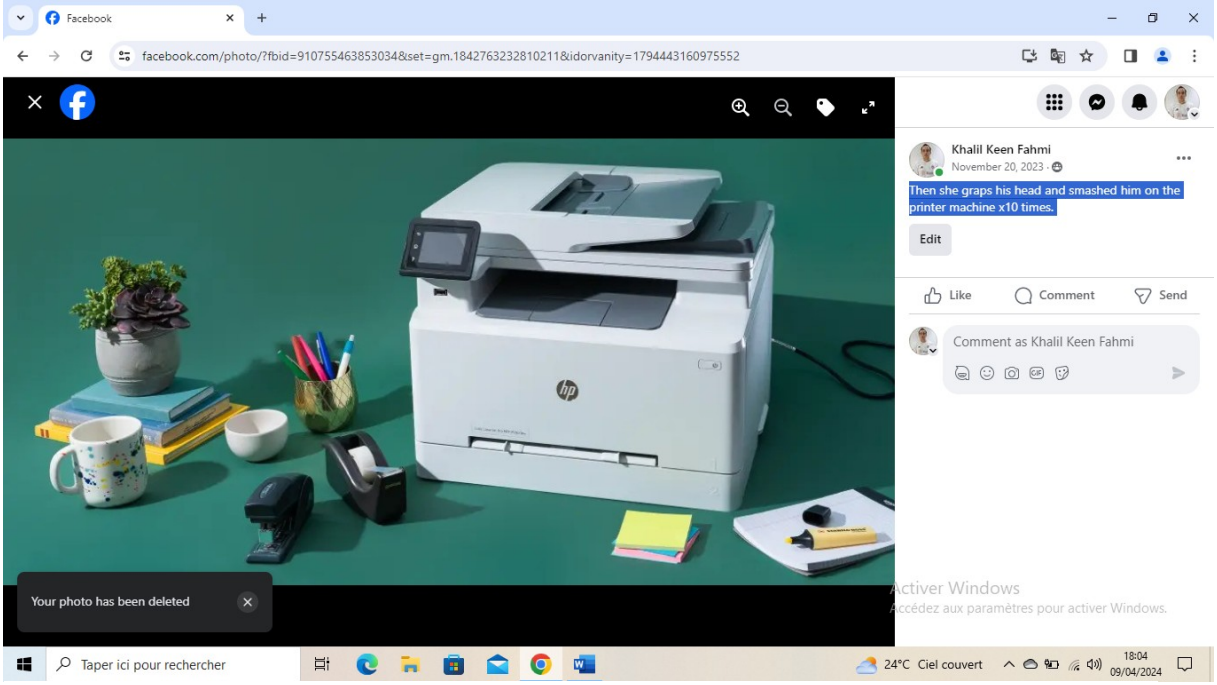
Harvey Dent was so surprised by such visit. He didn't expect Duela Dent will comes to his office. He was happy because he thought she came to see him and tells him she missed him. But that's not what happen.



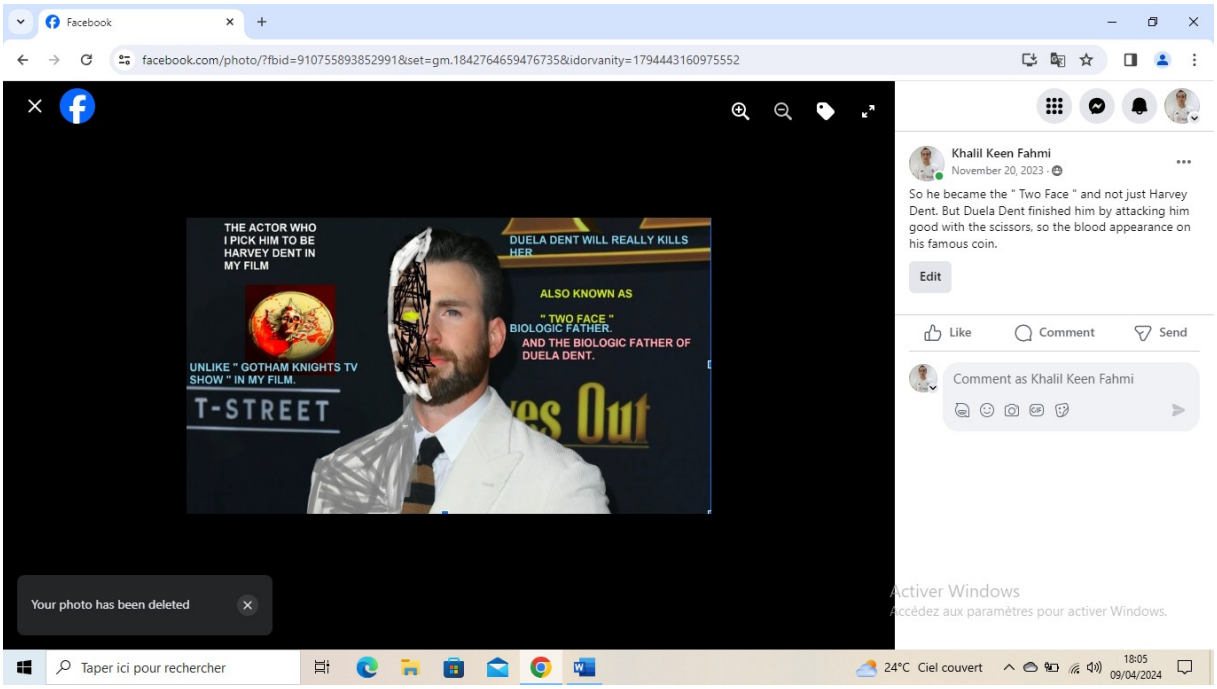
And she shoots Harvey Dent 5 times in his chest. But she didn't stop after all she loves to make it always special as crime scene or
murderer so he is not dead yet. He is just injured.



Then she graps his head and smashed him on the printer machine x10 times.



So he became the " Two Face " and not just Harvey Dent. But Duela Dent finished him by attacking him good with the scissors, so the blood appearance on his famous coin.



After the father she takes down next her own mother. Because she lied to her and she tried always to use her own daughter. But Duela Dent is a person who hates the most being used by others to achieve their own desires and goals and not hers.

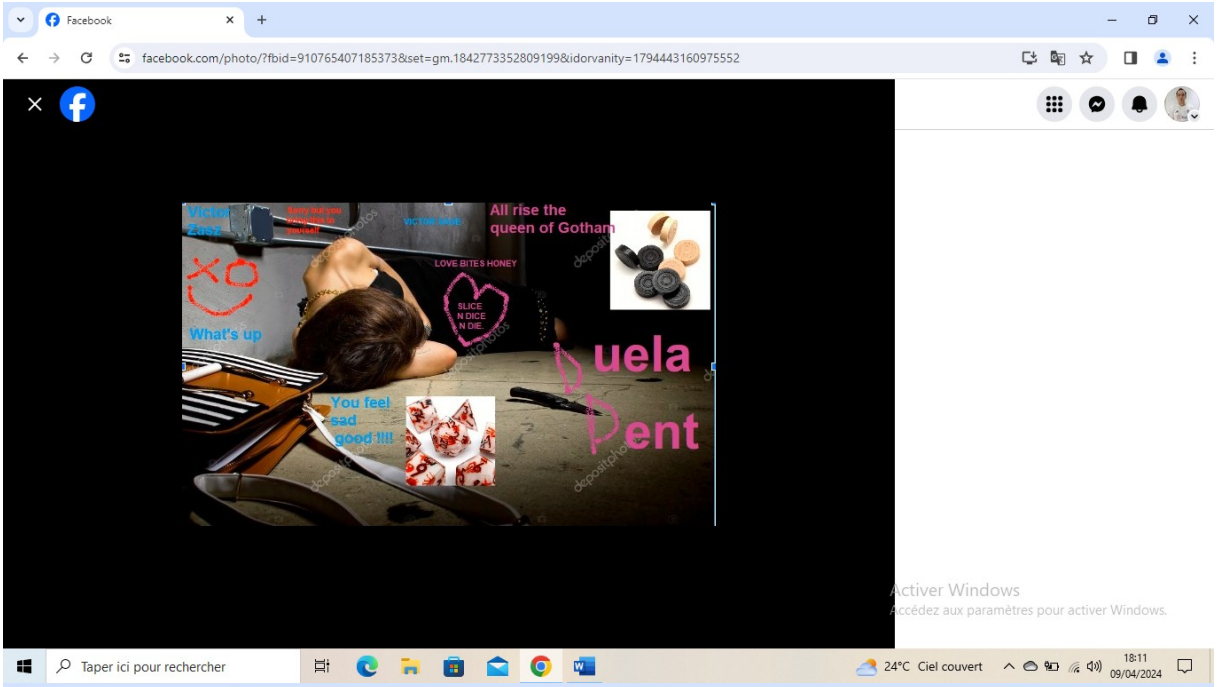
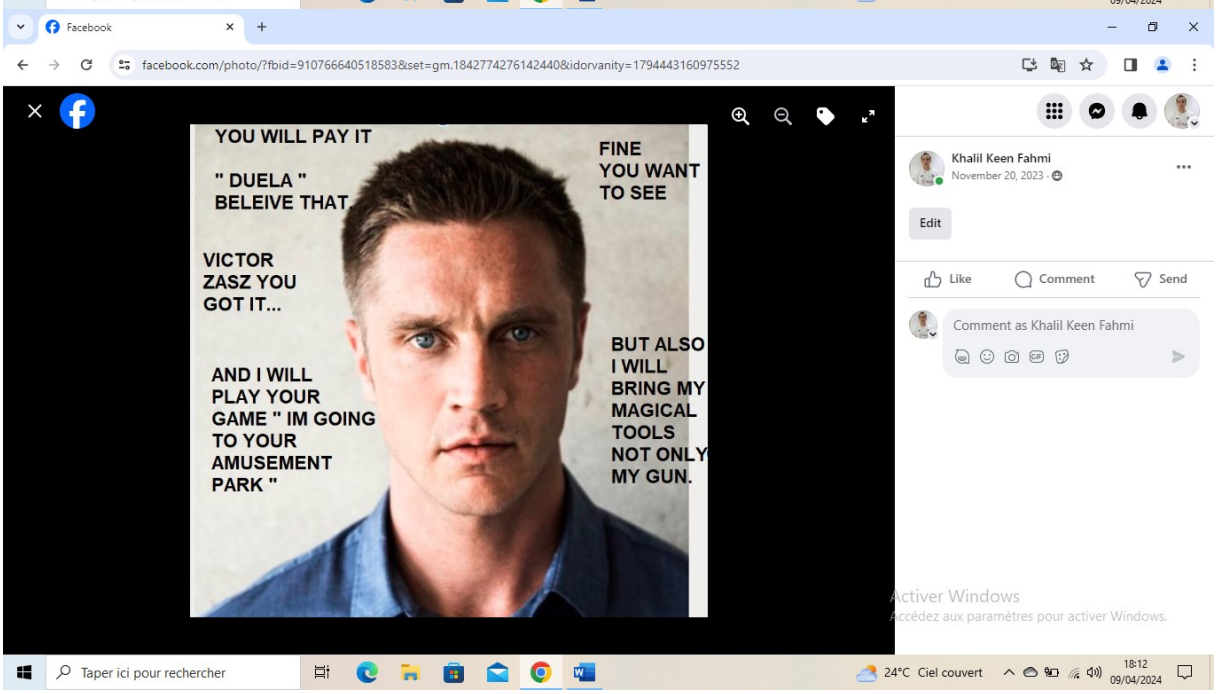
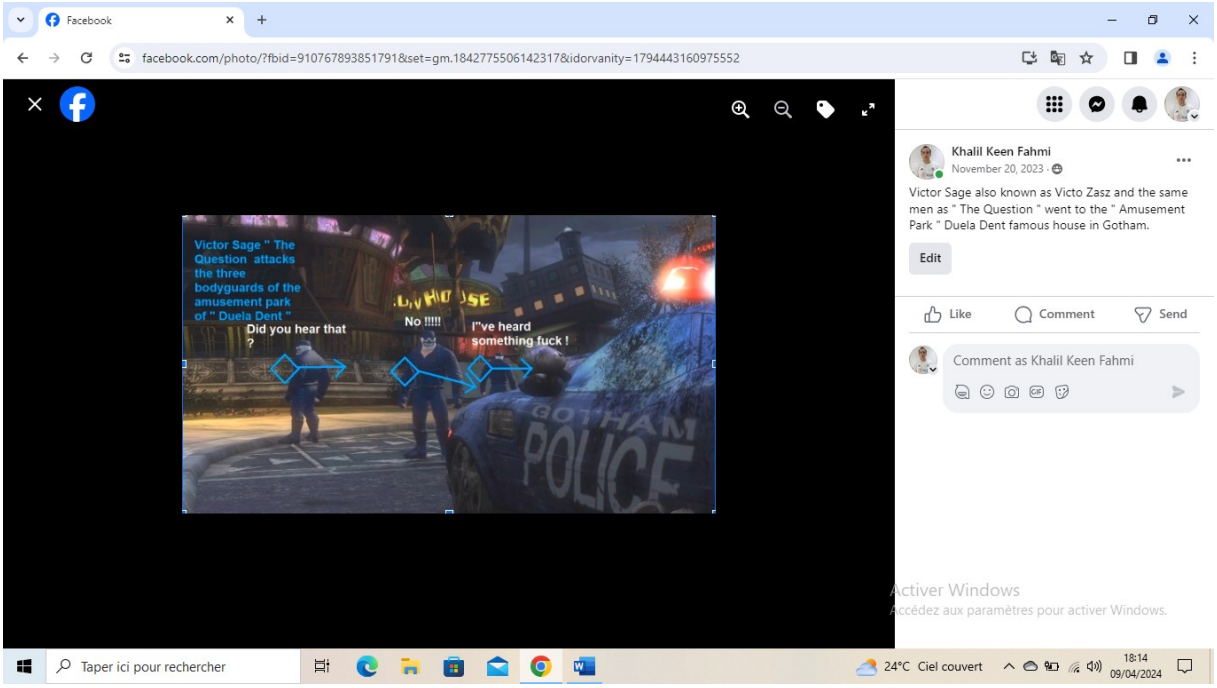
Victor Sage killed Turner Hayes Duela Dent's Boyfriend and Bruce Wayne adopted son.
But that was a mistake, because it also cost him his beautiful wife " Helena Rosa Bertinelli " known also as " The Huntress " and the cousin of Bruce Wayne.
Duela Dent killed her without a mercy but with fun in Crime Alley Street of Gotham





Victor Sage also known as Victor Zasz and the same men as " The Question " went to the " Amusement Park " Duela Dent famous house in Gotham.



And the fun begins in the Amusement Park.
